HOMEMADE DOG-SAFE CAKE FOR JOSE TO CELEBRATE HAVING HIM 2 YEARS

HAPPY NEW YEAR

For me, January is both the start of a new year and my birthday month. Typically, that means a few treats and a lot of reflection on what has happened and what I hope to see in the future. I am so grateful for how God has provided, often through you! Regarding the future, there is so much I do not know, and the world seems chaotic. One thing that I do know is that God is a God of love and justice. We love God when we love our neighbour and act justly in this world. May we all do so compassionately and bravely this year.

“But let justice roll down like waters, and righteousness like an ever-flowing stream” - Amos 5:24

“Learn to do good; seek justice, rescue the oppressed, defend the orphan, plead for the widow” - Isaiah 1:17

TRAINING MEETINGS

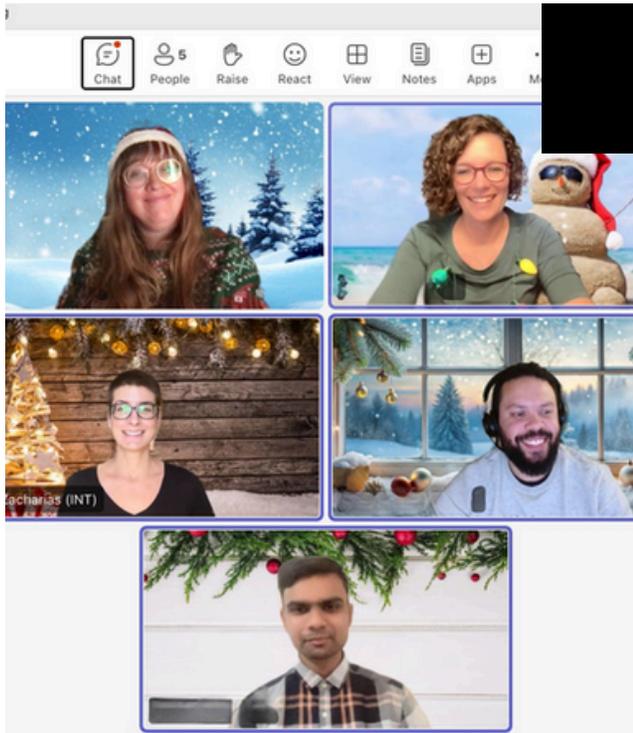

For months, I worked with a group of people (see below) to pray, plan, and prepare diligently for meetings with 20+ trainers across OM. In early December, we gathered in Malaysia for four full days of meetings. We covered topics such as evaluating if our training is meeting its goals (see right), how to use self-paced courses in community settings, how to use discipleship training tools, how to deal with challenges we face, how to create specific training pathways for

different types of people, and more. We also sang Christmas carols together and studied Paul's journeys in Acts. The trainers engaged well together and everyone left with plans as to how they were going to put what they learned into practice. We will have regular virtual meetings throughout this year for accountability and reinforcement. Please pray for these trainers as they have a vital role in furthering God's mission around the world.
