Our New Photo Directory Is Launching!

We're excited to launch our updated church photo directory; the directory is for everyone who calls Winkler EMMC home — you don't need to be a member to participate. And for the first time ever, you can **submit your photo online**. It's quick and simple to do. We'd love for as many people as possible try this new option.

Directories will be available for \$13 each once completed, our hope is to have them printed for June.

1. Upload Your Photo Online (Our New & Preferred Method)

Use our online form to submit your photo and contact information:

<https://form.jotform.com/251606222692050>

Or just follow this QR code for instant access from your phone or device.

Photo instructions and helpful tips are included right on the form. We'll also have a link available on our church website.

Photo submissions will be accepted until the end of March.

If you have any questions with submissions, you can contact Mike or Kaliah at the church office.

2. Prefer a Photo Taken for You?

If uploading isn't your thing, or you'd rather have photo taken for you, you can request a photo session directly on the online form.

We'll also have a table set up after the service for the next 3 weeks, starting March 8th, where you can sign up in person.

In-church photo sessions for those who sign up will begin in April. More information will be provided towards the end of March.

3. Email Your Photo

You can also email a photo along with your contact details to: media.cordinator@winkleremmc.com

Please follow the same photo instructions provided on the online form.
